PLEASANT PARAGRAPHS. action that he attempts, he is gauged assettemped. "What has he done?" is the divine question which searches men, and transplared every fairs reputation.—bineron.

Francis the First, a master of war and gallantry, said: "A court without women is a year without spring—a apring without roses." That a poetry in proce. "There are two bean sign! things in this world." says Malherbe "women and rorus." "Women is the cleft deserve of the universe," writes Lessing in the beauty of angels, they are painted as women." Moratin, the Spaniard, it language which yet reels the Moorah influence, has written: "The eyes of weeping women so enisis yet teem the accreaming to men one in "The eyes of weeping women pearls."

Outcomet. Descurrerow.—A little boy in having describes anoring as " letting off all ige describes snoring as "letting off sleep.

The Balmoral is a Scotch contume, it duced to the fashionable world by Victoriantitotic Yankee appeals in the patricities. Yankee girls to adopt a contume of the Why not?

Case in a willo why can't we have.

A trilly Yankee settem?

For which perfound oldgrains pay "a making victor the open.

What con the whose now that this, is and mark ye, too, how dashing 0 A publicant red, which and blue.

Will utilize riars all flanking?

These have its Vantagescone. "The best becauses and proper," the purit estimate.

Enterson says: — Man is but a little thing in the midst of the objects of nature, yet by the moral quality radiating from the countenance, he may abolish all consideration of magnitude, and, in his manbers, equal the majesty of the world?

A few days since, a mother in the poor house at Taunton, Mass., gave birth to a child weighing eight pounds, the mother being 11 years old, and the father but 14. The mother herself was born in the poor house. What a commentary upon poor-house life! Cheese ! Cheese !! 150 BXS PRIME WASTERN RESERVE SUGAR -- DAILY ARRIVALS OF ALL Survey of the Communication of the Commun fail the state of Behold, we are here, a little people collected together in the mountains and are short of munitions of war, while on the other land the whole world is full of them; we are short of citching, but folerably plensly of food; and then look at the terrible ords that are arrayed against us. See their thousands of welltrained freedy, the millions of money at their command. They can bring any steed army into 'be field,
